

Taking into consideration of students request we have given break for two days for VII & VIII Chemistry, Physics, Electronics and Statistics. Please refer revised Timetable shown below.

We also understood your feelings after interacting with you for the last few days, we have decided to reduce the number of questions which are to be answered as mentioned below.

In section-1 very short answer questions, we will reduce to 8 out of 16 instead of 10 out of 16 comes to $8 \times 4 = 32$. Similarity in Section-B we will reduce to 4 out of 8 instead of 5 out of 10 comes to $4 \times 12 = 48$. I hope you will be happy

Best wishes

Examinations will be conducted as per schedule (2nd July, 2020) only.

Examination Timings are changed. Please visit our Website: www.chaitanya.edu.in

Examination Rules will be communicated by faculty concerned.
