The term of IQAC shall be for a period of five years from the date of constitution of the Cell.

The Internal Quality Assurance Cell (IQAC) has a greater role to play in getting NAAC highest grade to our University. Highest grade attracts the students not only from all parts of India but also from abroad to join the courses. It also attracts national and multinational organizations for entering into MoUs & also Campus Placement drives. Reputed Universities from various countries will also desire to enter into MoUs with our University.

Therefore, the committee has to put up all its efforts to achieve the highest NAAC Grade to our University in the forthcoming visits of the NAAC.
