Institutional Health Collaboration & Clinical Training policy

1. Purpose

To sustain multi-institutional clinical partnerships and strategic collaborations across local, national, and international health networks, enabling hands-on clinical training, community health outreach, advanced skill development, and emergency medical response.

2. Policy Statement

Chaitanya (Deemed to be University) is committed to building and sustaining active partnerships with accredited hospitals, rehabilitation centers, research institutes, and health foundations. The University mandates that all healthcare-related departments establish formal Memorandums of Understanding (MoU's) and clinical tie-ups to deliver essential health services, clinical rotations and community welfare initiatives in accordance with UN SDG 3.

3. Objectives & Implementation Scope

- Facilitate mandatory clinical rotations and practical hospital postings for students of Physiotherapy, Nursing, Cardiovascular Technology, Radiology and Pharmacy (PharmD).
- Conduct joint medical workshops, emergency response certifications (e.g., CPR), and specialized clinical skill training with super-specialty healthcare providers.
- Engage in collaborative community outreach, health screening camps and public wellness runs with recognized health foundations.
- Maintain rigorous tracking and annual reporting of all collaborative activities to verify educational and community outcomes.

4. Departmental Responsibilities

- **Heads of Allied Health & Nursing Departments:** identify collaboration partners, initiate MoU's and oversee clinical posting compliance.
- **Registrar & Legal Cell:** review, execute, and archive all institutional MoU's and legal agreements.
- **Director & Administrative Officer:** allocate logistical and administrative support for joint camps and external workshops.

5. Monitoring & Review

The responsible departments maintain a register of active MoU's and partners, with dated records of each collaborative activity, the number of participants, and geotagged photographs. Records are consolidated into one report per reporting period and submitted to the University administration for verification and archiving. The policy is reviewed annually in May and updated in line with SDG 3 targets and University or regulatory requirements.

Free Physiotherapy Camp for Elderly Marks World Physiotherapy Day

DECCAN NEWS SERVICE
HYDERABAD

On the occasion of World Physiotherapy Day, the Department of Physiotherapy at Chaitanya Deemed to be University organized a free medical camp for senior citizens on September 8, 2025. The initiative aimed to raise awareness about physiotherapy and provide essential services to the elderly.

Dr. CH. V. Purushottam Reddy, Chancellor of the University, highlighted the importance of physiotherapy in improving health without relying solely on medication. He noted that World Physiotherapy Day, established in 1951, celebrates the significance of the field and its role in promoting wellness.

Dr. P. Sai Vishal, Chief Physiotherapist at New Life Rehabilitation and Chief Guest for the event, emphasized the value of mobility exercises, weight management, and regular physical activity for the elderly. He encouraged students to adopt holistic wellness practices and contribute to community health.

The program was attended by several dignitaries, including Dr. CH. Satvika Reddy, University Director and Chief Administrative Officer; Prof. G. Shankar Lingam, Vice Chancellor; Mr. M. Ravinder, Registrar; Mr. T. Pawan Kumar, Dean of Allied Health Sciences; and Mr. A. Satish, Head of the Department of Physiotherapy. Faculty members and the Public Relations Officer Mr. Gade Rambabu Reddy also participated.

The camp received an enthusiastic response from the senior community, reinforcing the university's commitment to public health, community service, and promoting physiotherapy awareness.
