Sports Facilities & Community Athletic Access Policy

1. Purpose

To provide open, structured access to the University's sports grounds, indoor fitness facilities and athletic infrastructure for local educational institutions, community sports clubs and the general public, promoting community health, physical activity and well-being in alignment with UN SDG 3.

2. Policy Statement

Chaitanya (Deemed to be University) is committed to optimizing the use of its sports infrastructure by sharing its grounds, outdoor sports arenas, gymnasium and athletic amenities with neighbouring schools, local youth organizations and community members. The University regulates access to ensure safety, equitable allocation and active promotion of healthy lifestyles.

3. Scope & Terms of Sharing

- The Campus Cricket Ground, Football Turf, Volleyball Courts and Athletic Tracks are available for local school tournaments, community leagues and morning and evening public wellness activities.
- Annual Intramural Sports Competitions, yoga sessions (e.g. International Day of Yoga) and regional fitness events welcome local community participation.
- All external access is governed by structured permission schedules, Physical Education supervision and safety regulations, so that academic routines are not disrupted.

4. Departmental Responsibilities

- **Department of Physical Education & Sports Board:** oversee facility booking logs, schedule maintenance and supervise competitive sports events.
- **Campus Security & Administration:** ensure security check-ins, visitor management and emergency first-aid readiness.
- **Student Welfare Cell:** coordinate inter-departmental and community sports leagues, prizes and physical health awareness drives.

5. Monitoring & Review

The responsible departments maintain facility booking logs and a dated record of each event, the participating institutions or groups, the number of participants, and geotagged photographs. Records are consolidated into one report per reporting period and submitted to the University administration for verification and archiving. The policy is reviewed annually in May and updated in line with SDG 3 targets and University or regulatory requirements.
