Student Sexual & Reproductive Healthcare Access Policy

1. Purpose

To provide all enrolled students with access to sexual and reproductive healthcare education, maternal health counselling, gender-sensitive health information and confidential health services, promoting reproductive health literacy, family welfare awareness and the reduction of maternal mortality.

2. Policy Statement

Chaitanya (Deemed to be University) guarantees that all students have confidential, non-discriminatory access to sexual and reproductive healthcare education, information, counselling and clinical referral services. The University is committed to integrating reproductive health awareness, antenatal and postnatal education, safe motherhood principles and family health literacy into student development programs, contributing directly to UN SDG 3 Targets 3.1 and 3.7.

3. Scope & Educational Guidelines

- Deliver free, structured health education sessions on safe motherhood, danger signs in pregnancy, antenatal care, breastfeeding and reproductive hygiene.
- Provide confidential counselling and healthcare referral services for students seeking reproductive health guidance, family planning information, or clinical support.
- Use bilingual (English and Telugu) educational charts, posters and interactive workshops in clinical outpatient settings and campus wellness centers.
- Maintain strict student privacy and ethical standards in all reproductive healthcare consultations.

4. Departmental Responsibilities

- **Department of Nursing & Health Sciences:** design visual educational charts, lead interactive clinical counselling sessions, and organize health awareness drives.
- **University Health Center & Clinical Staff:** provide confidential health screening, reproductive health guidance and medical referrals.
- **Women's Welfare Cell & Student Services:** ensure safe, accessible and supportive platforms for student reproductive health awareness.

5. Monitoring & Review

The responsible departments maintain a dated record of each session or drive, the venue, the number of students reached, and geo-tagged photographs, without recording identifiable personal health information. Records are consolidated into one report per reporting period and submitted to the University administration for verification and archiving. The policy is reviewed annually in May and updated in line with SDG 3 targets and University or regulatory requirements.

3.3.4 STUDENT ACCESS TO SEXUAL AND REPRODUCTIVE HEALTHCARE INFORMATION AND EDUCATION

1. Evidence of Sexual & Reproductive Healthcare Initiatives

The following reproductive, maternal, and family health awareness programs were conducted during the reporting period (Jan 2025 – December 2025):

Date	Program / Event Name	Venue & Target Audience	SDG 3 Focus & Outcomes
20 Feb 2025	Maternal Health & Mortality Reduction Awareness	Hospital Out-Patient Area, Red Hills, Lakdikapul	Target 3.1 / 3.7 - Interactive teaching on antenatal care, danger signs in pregnancy, safe delivery, and breastfeeding using structured charts
26 June 2025	Pulse Polio & Maternal-Child Health Counselling	Immunization Booth, Narsingi, Hyderabad	Target 3.2 / 3.7 - Counselling parents and young adult caregivers on routine immunization schedules, infant nutrition, and child welfare
Jan 2025 – December 2025	Diagnostic Screening & Confidential Counselling	University Health Center & Radiology Dept. (Block 2 Room 005)	Target 3.7 / 3.8 - Free diagnostic imaging (CR X-rays, 2D Echo) and health screening for female students, staff, and community members

2. Photographic & Field Evidence Records

Event / Activity 1: Maternal Healthcare Education Session (20 February 2025)

Nursing student conducting a chart-based maternal health education session for mothers and female caregivers in the hospital waiting area at Red Hills, Lakdikapul (GPS Lat 17.399272°, Long 78.462710°), focusing on antenatal checkups, nutrition, and safe motherhood.

Event / Activity 2: Reproductive & Maternal Health Education at Child Immunization Booth (19 March 2025)

Healthcare team and nursing students providing maternal-child health counselling and routine immunization education to mothers and family members at Narsingi.

Event / Activity 3: Women's Clinical Health & Diagnostic Screening

Department of Radiology and Allied Health Sciences providing free diagnostic CR X-rays and health evaluations for female students, teaching faculty, and staff.

3. Key Highlights, Monitoring & Review

3.1 Key Highlights of the Reporting Period

• Three programmes are documented: Maternal Health & Mortality Reduction Awareness, Pulse Polio & Maternal-Child Health Counselling, and Diagnostic Screening & Confidential Counselling (Jan 2025 – December 2025).

• Education sessions use bilingual (English and Telugu) charts and interactive teaching in hospital and community settings.

• Policy aligned to SDG 3 Targets 3.1, 3.2, 3.7 and 3.8.

3.2 Monitoring & Review

• Record keeping: the responsible departments maintain, for every activity under this policy, a dated record of the activity, the number and category of beneficiaries, and geotagged photographs.

• Reporting: records are consolidated into one report for each reporting period and submitted to the University administration for verification and archiving.

• Review: this policy is reviewed once a year in May and updated in line with the SDG 3 targets listed above and any change in University or regulatory requirements.
