

CALL FOR THE NEXT ISSUE

Articles / research papers, creative write-ups and book reviews related to English language and literature are invited for the next September 2022 issue.

Current English Review (CER) is a peer reviewed research journal. Author's name should appear on the home page only. The reviewer's name is withheld from the author and the author's name from the reviewer. Please cover any personal acknowledgements separately to the main text to facilitate anonymous peer review. Each manuscript is reviewed by at least two referees. All manuscripts are reviewed as early as possible, and an editorial decision is generally reached within 9-12 weeks of submission by the author. The decision of the Editor / Editorial Board is final. The Board has the right to condense or make necessary changes in the research papers.

Guidelines for Authors

1. Soft copies of articles/research papers (in 3000 words), Reports (in 500 words) Book-Reviews (in 500-600) words, language games/activities (in 300-400 words) should be sent along with a brief resume in about 25-30 words to the Editor.
2. A brief Abstract (maximum 250 words) should be provided along with 5-10 keywords. Manuscripts should be typed double-spaced on one side only on A4 paper with a 3 cm margin all round. Pages should be numbered consecutively throughout. A cover sheet should include author(s) name(s), affiliation, full postal address and email address, telephone numbers where possible. Manuscript (ideally as one single file with figures and tables included in the body of the text) in MS Word format by email attachment can be emailed to editorcer@chaitanya.edu.in and cduwarangal@gmail.com
3. No more than three levels of subheadings should be used; the first two levels should be numbered 1, 1.1, 1.2, 2, 2.1, and so on. Spelling should follow that of the Oxford English Dictionary. Endnotes, not footnotes, should be used. Quoted words or sections in running text should be in single quotes with double quotes within. Passages of more than 50 words should be indented. Please avoid the generic 'he' and the authorial 'we' (for 'I').
4. Articles should subscribe to the latest *MLA Handbook for Writers of Research Papers* (IX Edition, May 2021, available on Amazon Prime for \$8). The papers should be critical, original, analytical, scholarly and comprehensive.
5. Copyright and permissions: Unless otherwise agreed, it is the author's responsibility to acquire permissions for material for which they are not the copyright owners. This usually includes all extracts over 400 words, figures, tables, photographs, drawings, etc. Even very short extracts of poetry may need permission. Please bear in mind that just because text and images can be accessed freely on the Internet, it does not mean that they are free from Copyright. If in doubt, please contact the editor before submitting a final manuscript.
6. Funding: CJES requires all authors to acknowledge their funding in a consistent fashion under a separate heading in the Declaration as: This research received no specific grant from any funding agency in the public, commercial, or not-for-profit sectors.
7. Contributors should submit a declaration that the paper is original, does not violate copyright law and has not been published earlier in any form.
8. The final version of any manuscript submitted should be as far as possible in a publishable form i.e. references should have been checked and updated. All editing mark-ups, track changes, etc, should be turned off.
9. Soft copies of the proofs will be sent in PDF format to the corresponding author and they should be returned promptly. Authors are reminded to check their proofs carefully to confirm that all author information, including names, affiliations, sequence and contact details are correct, and that Funding and Conflict of Interest statements, if any, are accurate. Please note that if there are any changes to the author list (in case of multiple authors) at this stage all authors will be required to complete and sign on a form authorising the change.
