Dr. Neil Perez Balba is a professional computer engineer, international IT and engineering consultant, and educator. He is currently the Chief Digital Officer and was previously the Director of LPU-Laguna's Center for Innovation and Development. He also serves as a dean, a professor, and gives lectures in several countries. He rose through the ranks to become the Group's Corporate IT Director and MIS Director. He is also involved in other professional organizations, serving as President of the Philippine Society of Information Technology Educators Incorporated-National (PSITE) and presently as Vice President for External Affairs. He was also the Regional President of PSITE-Region 4, a member of the Institute of Computer Engineers of the Philippines (ICPEP), and a member of the Institute of Electronics Engineers of the Philippines. He is also a member of the Board of Directors of the Integrated Society of Information Technology Enthusiasts (ISITE), the President of the Mechatronics and Robotics Society of the Philippines (MRSP-Laguna), and the International Association of Engineers (IAE). He holds three doctorates, five master's degrees, and six undergraduate degrees in engineering, information technology, and management, from which he graduated Summa Cum Laude in one of the programs. He also got other awards in various nations, including the Philippines. One of his most notable accomplishments as a teacher was receiving the Outstanding Professor Award - Top 1 in the Philippines under COTS. He is currently the Technical Panel for Information Technology of ISO/IEC

- TC 60 under the Department of Trade and Industry (DTI) of the Philippines, approving all ISO focused on IT, Security, Data Privacy, and so on, as well as the Vice Chair of Sub Committee 1 of TC 60- ISO/ICE, Technical Panel of Malaysian Scientist Technical Association (MALSETAS), and Honorary Fellowship Member of Institute for Engineering Research and Publication (IIFERP-International). He is also an International and Local Accreditor for the Washington Accord (PTC), Seoul Accord (PCAB), and PACUCOA, as well as a member of the Commission of Higher Education in the Philippines' Regional Quality Assessment Team (RQAT). Dr. Balba presented and published numerous research papers both locally and globally, and he became a keynote speaker at various conferences in various countries.
